## **Emirates Chauffeur-drive service across the network - Update 1**

Dear Industry Partner,

Due to the COVID-19 pandemic, Chauffeur-drive service is further suspended in Dubai and across the network.

This helps us to follow current strict health and safety guidelines and protects the wellbeing of all our passengers.

- 1- Chauffeur-drive service is no longer available to book on any Emirates routes and class of travel until **April 2021**.
- 2- Any existing CDS will be cancelled in the system.

We are closely monitoring the situation as it evolves, and we hope to resume our Chauffeur-drive service as soon as conditions allow.

For any further information or clarity please contact the local sales team. Thank you for your continued support.

Sincerely,  
Emirates Airline
