## Emirates Chauffeur-drive service across the network

Dear Industry Partner,

Due to the COVID-19 pandemic, Chauffeur-drive service is currently suspended in Dubai and around the world.

This helps us to follow current strict health and safety guidelines and protects the wellbeing of all our customers.

**Effective 13th May 2020 below takes effect:**

- 1- Chauffeur-drive service is disabled until 30th June 2020 for all flights.
- 2- Any existing CDS will be cancelled in the system.

We are closely monitoring the situation as it evolves, and we hope to resume our Chauffeur-drive service as soon as conditions allow.

For any further information or clarity please contact the local sales team. Thank you for your continued support.

Sincerely,  
Emirates Airline
